342-Forest Fire	\$3,420.00	\$3,420.00	\$1,670.00	\$10.79	GPS expense was too high. We felt no critical need to replace hose and line bags.
440-Radio Repairs	\$3,500.00	\$3,500.00	\$3,000.00	\$2,595.00	Had only spent \$1,445.00 by November 1.

Fire Department had a 25.5% increase in calls over last year and we feel we can't serve the community with the cut.

A request was made by Ken Roberts to break down cuts and actual expenditures as of December from Fire Department Accounts on a line-by-line basis.

Broken down as follows by Stephen Miller:

Account #	Department Head	Board of Selectmen	Budget Committee	Actual Spent	Reason for Reduction
162-Computer Expenses	\$6,450.00	\$6,450.00	\$4,500.00	\$4,735.00	We eliminated one laptop. Amount spent as of December was different then when we originally met second time. That would have changed our minds.
201-New Equipment	\$16,500.00	\$16,500.00	\$14,000.00	\$16,561.97	Elimination of stablilization jacks. Description of need and use of additional stablilization jacks changed from time of meeting to public hearing.
206-Fire Uniforms	\$4,000.00	\$4,000.00	\$3,000.00	\$2,781.00	Sought to eliminate 20 badges. Thought excessive amount of pants, shirts, and hats being ordered.
207-Vehicle Expenses	\$16,000.00	\$16,000.00	\$13,000.00	\$12,781.00	Reduced restorative repairs because Tank Engine #1 was an extraordinary expense the previous year, which we shouldn't have to anticipate the following year.
245-Fire Alarms	\$3,600.00	\$3,600.00	\$2,800.00	\$2,342.00	As of November only \$1,200.00 had been spent. The Chief did not anticipate using the balance up.

Ruth Messier questioned as to if this was something that was recommended by the Safety Committee. I thought that this was for an expansion of the current fire department.

Alan Sherwood stated that being part of that safety committee, we looked at the Central as well as other outlying stations. We recognize need for expansion of all stations over time. Chuck Westin stated that this was one of the recommendations by the committee because the town is growing in both directions and it is necessary for public safety.

Motion to restrict reconsideration made by Stephan McMahon, seconded by Pete Shibley and the motion passed.

**ARTICLE 21:** To see if the Town will vote to raise and appropriate the sum of **Fifty Thousand-Four Hundred Twenty One Dollars (\$50,421.00)** for the lease payment on the Fire Rescue Vehicle. [Appropriation recommended by the Selectmen and the Budget Committee] (A majority vote is required)

[Appropriation recommended by the Selectmen and the Budget Committee] (A majority vote is required)

Voted on the amendment. The amendment passed.

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

Dan Lacroix had questions regarding road construction and what they would do about transporting this kind of equipment.

Ken Roberts stated we rent equipment to move machines. When it goes on job site it stays for a while. It costs approximately \$120 to move the machine.

Greg Fuller and Angela Bystrack reiterated the importance of a generic bid.

Terri Noyes asked how many extra employees will you need?

Ken said none at this time.

[Appropriation recommended by the Selectmen and the Budget Committee] (A majority vote is required)

Ken Roberts stated the truck is about \$26,000.00 but we have extras such as a plow package, bed liner, extended warranty, extra set of studded snow tires and bucket seats. The current truck cannot plow. A generic bid package will be sent out.

Bill Curtin asked what will happen to old truck.

This land was sold in a town auction in 1996 but is not buildable due to deed restrictions and also has ownership rights to all properties within the subdivision. Russell Bailey stated that this article came to our attention in early fall. It was sold by the town at auction in the mid 90's. There are two restrictions on this land, the first being the Planning Board made this open conservation land and could not be developed. Secondly, everyone in the subdivision has rights to the use of the property.

Virgil Macdonald questioned whether the people who have the right to use the land be taxed for it.

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

Russell Bailey stated it will be deeded back to the town because we took it for taxes in the early 90's.

Motion to restrict reconsideration made by Stephan McMahon, seconded by Pete Shibley and the motion passed.

**ARTICLE 39:** We the following, being duly registered voters in the town of Alton, do hereby submit the following article to be acted upon by the voters of Alton, NH:

To see if the town will vote to, "Direct the Town of Alton to reimburse the Homeowners of Linwood Drive for the legal expenses incurred as a result of the Linwood Drive homeowners having to seek the Superior Court decision that required the Town of Alton to accept Linwood Drive as a Town Public Road. The amount of the reimbursement to be \$25,070.33.  
[Appropriation not recommended by the Selectmen and not recommended by the Budget Committee] (A majority vote is required) (Petition Article)

Motion to move by Bradley Smith, seconded by Pauline Archambault.

Bradley Smith, a resident of Linwood Drive spoke on behalf of the article. He explained the development was completed in the late 80's, the road was built, the bond released, and the residents were told once the population reached 50% the road would be accepted. Approximately 2 years ago there was a hearing, the Board of Selectmen wanted an engineering study done, the residents felt there was no need for a study as the road was built to the town's specifications. The case was brought to Supreme Court in September and it was ruled that the town was obligated to accept it as a public road. The money is to reimburse the residents of Linwood Drive for legal fees.

Alan Sherwood amended the article to read "To see if the Town will vote to recommend that the Town reimburse zero dollars to private landowners for legal expenses relative to Linwood Drive" seconded by Cris Blackstone.

Alan Sherwood stated I have three points I would like to make. First, the residents of Linwood Drive would not work with the Selectmen like the residents of Hermit Drive, Bachelder Road, and Stonewall Drive. They were also looking to have their roads accepted as Town roads and did work with the Board of Selectmen and Highway Agent to make roads up to standards. The second point is the \$25,000 fee is very high, the Town averages \$5,000 to \$7,000 for a case to Superior Court and it was the residents choice to pick a lawyer with a high fee structure. The third point is this would use public funds for a private purpose to reimburse private individuals and therefore it would be an illegal appropriation.

Virgil Macdonald stated they should have asked the Judge to be reimbursed.

Steve Miller stated we cannot set a precedent to pay legal fees every time we are sued.

Tim Kinnon spoke on the notion of amending a petition article during a deliberative session and feels a petition article should go before the voters as written.

Alan Sherwood restated it is our attorney's opinion this would be an illegal appropriation.

Linda O'Neil, a resident of Linwood Drive since 1995, spoke in favor of the petition article.

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

Bradley Smith spoke in regards to the fact that they did not cooperate with the town and stated this wasn't the case.

Ken Roberts stated that he was the one that inspected the road and did not recommend accepting it. He further stated the road was built in 1989, at time of inspection there were cracks in the road and there was no preventive maintenance done.

Bradley Smith stated the Superior Court Judge went out and looked at the road and said in his opinion it had the kind of wear that you would expect from a road that was built 15 to 17 years ago.

Laurie Boyce and Bob Longabaugh both reiterated the fact that a petition article should not be changed.

John Brooks supports the petition article.

Moderator Northridge announced there was a request for a secret ballot signed by 5 voters of the Town. He instructed the voters to use the bright pink tear-off. The moderator re-read the amendment. While votes were being counted the Moderator announced that there will be a candidates night at the town hall Wednesday March 8, 2006 at 7:00 p.m.

49 Yes 44 No. The amendment passes.

Linda Roy questioned the legality of changing a petition article.

Russell Bailey stated that he contacted municipal attorneys at the state level and confirmed petition articles can be amended.

Motion to restrict reconsideration made by Pete Shibley, seconded by Cris Blackstone and the motion passed.

**ARTICLE 40:** To see if the Town will authorize the Selectmen to grant an easement for the benefit of property owned by Marilyn Pierce to construct, reconstruct, maintain and repair a retaining wall and septic system to the area of land known as Railroad Avenue between the edge of the improved and traveled roadways and the property of said Pierce. The Selectmen are authorized to reserve such public rights in the easement area as they determine necessary.

Motion to move made by Alan Sherwood, seconded by Cris Blackstone.

Michael Bemis stated he prepared the land survey plan and the area of the easement is 15' x 50'. It runs along the southwest side of Mrs. Pierce's property in West Alton. There will be no interference with the roadway. A very similar easement was granted two years ago to the abutting landowner.

Motion to restrict reconsideration by Cris Blackstone, seconded by Russell Bailey motion passed.

**ARTICLE 41:** To see if the Town will authorized the establishment of a Recycling revolving fund pursuant to RSA 31-95h for the purpose of facilitating and encouraging recycling as defined in RSA 149-M:4. The Fund to be called the "Recycling Revolving Revenue Fund with revenue to be derived strictly from the fees and receipts received from the processing and sale of recycled materials. The money in the fund shall be allowed to accumulate from year to year, and shall not

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

be considered part of the town's general surplus. The town treasurer shall have custody of all moneys in the fund and shall pay out only upon order of the authorized agent. And further to authorize the Board of Selectmen to be the authorized agent for this fund. These funds may be expended only for the recycling purposes as stated in RSA 149-M:4, and no expenditure shall be made in such a way as to require the expenditure of other town funds which have not been appropriated for that purpose.

Motion to move made by Alan Sherwood, seconded by Stephan McMahon.

Russell Bailey stated this article would take all revenues from recycled goods, put the receipts in this fund and use the receipts for recycling purposes, only to be expended under the authorization of the Board of Selectmen. He also stated the monies now go into the general fund.

Motion to restrict reconsideration made by Stephan McMahon, seconded by Cris Blackstone motion passed.

**ARTICLE 42:** To see if the Town will authorize the adoption of the 2000 International Building Code, 2003 International Mechanical Code, 2000 International Plumbing code, 2003 Residential Building Code, National Electrical Code 2005 and Life Safety 101 - 2003. The town presently uses the BOCA codes of 1993-1996, which have been replaced by the International Codes.

Motion to move made by Alan Sherwood, seconded by Stephan McMahon.

Brian Boyers, Building Official, stated that this will put us up with the state codes.

Greg Fuller asked if this passes will it be immediate?

Russell Bailey confirmed it would be immediate after the election in March.

Motion to restrict reconsideration made by Stephan McMahon, seconded by Russell Bailey motion passed.

**ARTICLE 43:** I, the undersigned, want the following article placed on the 2006 Ballot for the Town of Alton, NH. I declare that I am a registered voter in the town of Alton, NH.

Starting with the Town ballot of 2007 the position of, Member of the Zoning Board of Adjustment, shall be an elected position pursuant to RSA 673:3 & RSA 669. (Petition Article)

Motion to move made by Laurie Boyce, seconded by Tim Kinnon.

Tim Kinnon spoke in favor of the petition article. He stated reasons for bringing this article forward. If ZBA is an elected position, it would give the voters of this town a better representation of what they want the zoning ordinances to look like. The other reason is that this would eliminate the conflict of interest that could arise if the Board of Selectmen needed to appoint a ZBA member.

Duane Hammond asked if there aren't enough candidates to run how will the position be filled?

Tim Kinnon stated the ZBA members would appoint new members.

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

Marcella Perry, Chairman of the ZBA, stated that she feels it is important to keep this board an appointed board, not elected. It has operated this way for many years and has worked well.

Motion to restrict reconsideration made by Cris Blackstone, seconded by Russell Bailey motion passed.

**ARTICLE 44:** We the undersigned voters of the Town of Alton do hereby request that the Alton Board of Selectmen submit the following warrant article to abolish the Fire Wards to the 2006 annual town meeting as follows:

Are you in favor of changing the organization of the fire department by abolishing the positions of elected Fire Wards pursuant to RSA 154:1-I(d) and choosing in its place the organization that allows for the fire chief to be appointed by the local governing body, with fire fighters appointed by the local governing body based on the recommendations of the fire chief pursuant to RSA 154:1-I(b). This change would take place one(1) year from the 2006 town meeting. (Petition Article)

Motion to move made by John Brooks, seconded by Laurie Boyce.

John Brooks stated I brought this petition article forward. He further stated we now have a permanent Fire Chief who is capable of carrying out full duties without the advice of Fire Wards and this would be a \$4,145 savings to the taxpayers if the Fire Wards were eliminated. He also stated Wolfboro and Meredith have Fire Chiefs and no Fire Wards.

Ken Roberts, the Fire Wards Chairman spoke against this article. He stated this \$4,000 is among 3 people with an impact of .003 to your tax dollar. He further stated some of the responsibilities of the Fire Wards are to look at the budget to save taxpayers money, we worked on the revolving ambulance fund, looked at future needs of equipment and buildings and work on keeping rules and regulations updated.

Stephen Miller spoke in favor of abolishing the Fire Wards, but not strictly as an economic issue as the Fire Chief is full time and has the ability to call any other Chief to ask advice on any issue.

Scott Williams spoke against this petition article.

Fire Chief Johnson is not in favor of the article. He stated they are an asset to the department and community.

Motion to restrict reconsideration made by Cris Blackstone, seconded by Stephan McMahon motion passed.

**ARTICLE 45:** Shall we adopt an exemption for the disabled: The exemption based on assessed value, for qualified taxpayers shall be \$40,000. To qualify, the person must have been a New Hampshire Resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$25,000 if single and \$44,000 if married; and own net assets not in excess of \$50,000 excluding the value of the person's residence. Also must be eligible under the Federal Social Security Act for benefits to the totally and permanently disabled per RSA 72:37-b. (Majority vote required)

2006 Alton Deliberative Session Town Meeting  
February 8, 2006

Motion to move made by Alan Sherwood, seconded by Cris Blackstone.

Russell Bailey stated this was placed on the ballot by the selectmen as the Town has exemptions for the elderly, blind and veterans but not disabled persons. He further stated this would be set up similar to the elderly exemption. He explained the applicants must qualify under Social Security as being 100% disabled.

Motion to restrict reconsideration made by Stephan McMahon, seconded by Alan Sherwood and the motion passed.

**ARTICLE 46:** To hear any reports of any committee, board, trustees, commissions, officials, agents or concerned voters and to vote to accept the same. Furthermore to conduct any other business that may legally come before said meeting.

No Discussion.

Motion to dissolve this meeting made by Russell Bailey, seconded by Alan Sherwood. Meeting closed at 11:20 p.m.
